WHEREAS, The City of Pittsburgh (the “City”) entered into a 2010 Grant Agreement (the “Agreement”) with the United States Department of Justice (“DOJ”) to accept federal funding for the Bureau of Police's Community Oriented Policing Services (“COPS”); and

WHEREAS, pursuant to the Agreement and applicable regulations set forth in the Grant Owner's Manual and/or 28 CFR Part 66 (Uniform Administrative Requirements for Grants and Cooperative Agreements to State and Local Governments), the City is to provide documentation to the DOJ for COPS work performed in order to receive funds for immediate cash disbursement needs; and

WHEREAS, due to an error made by the City in reporting costs, the City was overpaid and now has “excess cash on hand” in violation of applicable grant rules, and

WHEREAS, per request of the DOJ, the City is now required to return the excess funds until such funds are actually obligated (i.e. COPS work is performed) during the remainder of the grant term, at which time these funds will again be available for the City's use as authorized by the Agreement.
