Ordinance amending and supplementing the City Code at Title One: Administrative, Article XI: Human Resources, Chapter 198: Campaign Finance Regulations at Sections 198.01 Definitions and 198.05: Public Database and Reporting.

Whereas, transparency, accountability and consistent enforcement of campaign finance laws is vital to maintaining the public trust;

Whereas, disclosure of non-local and dark money groups’ spending in municipal races is essential to preserving the fundamental democratic principle that “government of the people, by the people, for the people, shall not perish;”

Whereas, the Ethics Hearing Board desires to forward these goals through accounting for independent expenditures, expanding this accounting to include campaigns involving ballot questions, and mandating an audit procedure; therefore,

The Council of the City of Pittsburgh hereby enacts as follows:

Section 1. The City Code is hereby amended at Title One: Administrative, Article XI: Human Resources, Chapter 198: Campaign Finance Regulations, at Section 198.01 as follows:
