Resolution authorizing the execution of an Easement Agreement between Holdings Acquisition Co., L.P., a Delaware limited partnership and the City of Pittsburgh, a municipal corporation of the Commonwealth of Pennsylvania for real property abutting the north shore of the Ohio River to be made part of a "City Trail".

WHEREAS, Holdings is the owner of certain real property abutting the north shore of the Ohio River, located in the 21st Ward of the City of Pittsburgh, Allegheny County, Pennsylvania, which is more particularly described on Exhibit A attached hereto and made a part hereof (the "Property");

WHEREAS, the City desires to make available to the public a recreational trail along the north shore of the Ohio River (the "City Trail"); and

WHEREAS, Holdings has agreed to accommodate the City's planned City Trail by making available to the City the portion of the Riverfront Property described on Exhibit B attached hereto and made a part hereof (the "Riverfront Promenade"), for use by the public as part of the City Trail, upon the terms and conditions contained in this Agreement.

Be it resolved by the Council of the City of Pittsburgh as follows:

Section 1. The Mayor and the Director of the Department of Public Works, on behalf of the City of Pittsburgh, are hereby authorized to enter into an Easement Agreement with Holdings Acquisition, Co., L.P., in a form approved by the City Solicitor, for real property abutting the north shore of the Ohio River to be made part of the "City Trail".

NOW, THEREFORE, intending to be legally bound hereby, the parties hereto agree as follows:

1. The foregoing recitals are incorporated herein by reference and made a part hereof.
2. Holdings hereby grants and conveys, subject to any and all easements and other matters set forth in instruments of record and/or apparent on the Property, to the City, an easement to use the Riverfront Promenade as a public pedestrian walkway and bike path, for so long as the City shall continue to use the City Trail as a public pedestrian walkway and bike path, provided, however, that such use may not interfere in any manner whatsoever with Holdings' use of the Property (the "Easement"). If such use of the City Trail ceases for a period of two years or longer, then the easement and the rights granted under this Easement Agreement shall terminate automatically without the necessity for further action by the parties.
3.
 - a) Holdings may restrict access to all or any part of the Riverfront Promenade for limited periods of time in connection with any of the following: (i) construction; (ii) improvements, maintenance, or repairs on, in, or to the Property or the Riverfront Promenade; and/or (iii) any emergency situation that Holdings, in its best good faith sole discretion, believes may adversely affect safety or security of the public on the Property or the Riverfront Promenade.
 - b) Holdings may periodically stop traffic along the Riverfront Promenade in order to allow casino guests to cross to and from the casino to the amphitheater, under the following conditions: Holdings shall use commercially reasonable efforts to manage traffic flow, in an effort to prevent traffic either east or west of the Riverfront Promenade from backing up, except for periods of short duration long enough to effectuate the crossing of the casino guests across the Riverfront Promenade.
 - c) Public access to the Riverfront Promenade will be subject to reasonable policies and restrictions imposed by Holdings in order to maintain public decorum, safety, and security (such as the removal of loiterers or squatters, a prohibition on solicitation, and the ejection of anyone causing a disturbance or potential or actual harm to other persons or property).
 - d) Any access restrictions pursuant to Paragraph 3(a)-(c) shall not count towards a termination of the City's Easement Agreement pursuant to Paragraph 2.
4. Holdings agrees to construct the Riverfront Promenade in accordance with plans and specifications approved by the City of Pittsburgh. Plans and specifications for the Riverfront Promenade shall be submitted to the Director of Public Works for review and approval.
5. Holdings, at its sole effort and expense, shall maintain the Riverfront Promenade in a commercially reasonable manner. Notwithstanding the foregoing, in the event that the City determines that the Riverfront Promenade is not being satisfactorily maintained by Holdings, then the City may notify Holdings of such failure. Unless Holdings responds within 10 days of the date of the notice, in a manner satisfactory to the City, in its reasonable discretion, then the City shall have the right to perform the maintenance, provided however, that the City shall use its best good faith efforts not to cause disruption to the operation of Holdings' business on the Property in the performance of such maintenance.

6. a) This Agreement contains the entire agreement of the parties respecting the matters set forth herein. This Agreement may not be modified, discharged or changed in any respect whatsoever, except by further agreement in writing duly executed by the parties hereto.

b) This Agreement and all of the terms and provisions hereof shall be governed by and construed in accordance with the laws of the Commonwealth of Pennsylvania without regard to its conflict of laws principles.

c) If any provisions or portions of this Agreement shall, to any extent, be invalid or unenforceable, the remainder of this Agreement shall not be affected thereby, and each provision shall be valid and enforceable to the fullest extent permitted by law.

d) This Agreement is intended to be solely for the benefit of the parties hereto and is not intended to and shall not confer any rights or benefits on any third party not a signatory hereto.

e) The City has authorized the execution of this Agreement by Resolution No. ____ of 2009 effective _____, 2009.
