WHEREAS, the SEA, Urban Redevelopment Authority of Pittsburgh (the “URA”) and PAR entered into an Option Agreement in 2018 whereby the SEA and the URA granted PAR certain rights to redevelop certain land at the former Civic Arena Site, and that a portion of that land will be transformed into the I-579 Cap Urban Connector Project (the “Cap”), which will be owned by the City and a portion of the surface of that land will be a public park (“Cap Park”); and

WHEREAS, approximately 0.23 acres of surface land will remain available to PAR for redevelopment pursuant to the Option Agreement; and

WHEREAS, the parties agree that under the Option Agreement, PAR and any subsequent owners of that redeveloped surface land have maintenance responsibilities for the CAP Park and that this maintenance obligation will be reflected in a covenant that will run with the land on those properties; and

WHEREAS, under that maintenance obligation PAR and/or the covenanted properties agree to make annual Maintenance Payments to the City, from the time the Cap Park is constructed until that time when the space is no longer used as a public park, in the aggregate amount of \$65,000.00 per calendar year, with escalation of two percent (2.0%) per year, to be used by the City to help defray the costs of the maintenance and repair of the Cap Park and adjoining sidewalks, as determined by the City in its sole discretion; and
