

Legislation Details

File #: 2006-1052 **Version:** 1

Type: Resolution **Status:** Died due to expiration of legislative council session

File created: 12/12/2006 **In control:** Committee on Public Safety Services

On agenda: **Final action:** 12/31/2007

Enactment date: **Enactment #:**

Effective date:

Title: Resolution of the Council of the City of Pittsburgh (1) calling on the Pennsylvania State Legislature to amend section 3116 of the Consolidated Statutes to authorize cities of the second class, as was done for cities of the first class, to enforce section 3112(a)(3) (relating to traffic control signals) by recording violations using an automated red light enforcement system approved by the department of transportation; (2) authorizing and directing the Mayor, in consultation with other city agencies, to issue, for City Council's review and approval prior to issuance, a Request for Proposal (RFP) to furnish and install red-light cameras for the City of Pittsburgh, at intersections to be determined with Council's review and approval, at no cost to the City's operating budget; and (3) establishing a Safe Streets Initiative Trust Fund, financed by the augmented revenue accumulated from the increased number of citations issued from the red-light enforcement systems.
