Amending and supplementing the Pittsburgh Code of Ordinances, Title Six: Conduct; Article I: Regulated Rights and Actions; Chapter 619: Refuse Collection and Recycling, by adding a new Section 619.13 Responsibilities of Landlord and Tenant, requiring the Landlord to inform the Tenant of City requirements for storage, disposal, and recycling of refuse; Re-numbering subsequent Sections; and Amending the new Section 619.15 Violation and Penalty, by increasing the fine for an initial offense from \$15.00 to \$50.00.

Whereas, the City of Pittsburgh has determined that numerous tenants, City-wide, are disposing of refuse in a way that encourages vermin, and disposing of recyclables instead of placing them in the recyclable material stream; and

Whereas, the City of Pittsburgh is also concerned with the effect of these actions in creating a negative impact on public health, and on the visual beauty of our neighborhoods; and

Whereas, the City of Pittsburgh seeks to improve the compliance of City tenants with refuse and recycling ordinances, and thereby improve public health and the beauty of the City; and

Whereas, the City of Pittsburgh has found that educational and informational programs can have a significant effect on behavior, and serve as support for enforcement of existing laws; and

Whereas, legislation is needed to ensure that tenants of single family dwellings and small apartment buildings know their legal responsibilities as to waste storage, disposal and recycling; and

Whereas such legislation would be moot as to tenants of larger buildings, since private haulers, and not the City, dispose of their waste.

**Be it resolved that the Council of the City of Pittsburgh hereby enacts as follows:**

**Section 1.** The Pittsburgh Code of Ordinances, Title Six: Conduct; Article I: Regulated Rights and Actions; Chapter 619: Refuse Collection and Recycling, is hereby amended and supplemented as follows:
