**Introduced:** 6/15/2018

**Bill No:** 2018-0605, **Version:** 1

**Committee:** Committee on Intergovernmental Affairs

**Status:** Passed Finally

Resolution authorizing the Mayor and the Director of the Department of Public Works and/or Director of the Department of Mobility and Infrastructure, on behalf of the City of Pittsburgh ("City"), to apply to the Allegheny County Sanitary Authority Green Revitalization of Our Waterways Program in order to acquire funding for certain green infrastructure elements of the I-579 Cap Project.

**WHEREAS**, the City wants to participate in the construction and obtain ownership of a cover over a depressed section of State Route (SR) 579 (a/k/a Interstate 579) between Centre Avenue and Bigelow Boulevard and open green space and certain other improvements over such cover and adjacent property (the "I-579 Cap Project"); and

**WHEREAS**, Sports & Exhibition Authority will transfer certain funding for the I-579 Cap Project to the City pursuant to a Cooperation Agreement between City and Sports & Exhibition Authority, and City will utilize \$837,000 of this funding in the I-579 Cap Project to cover the cost and expense of certain green infrastructure elements for reduction of the sewer overflow at the ALCOSAN point of connection A-12 and M-05 sewershed; and

**WHEREAS**, the Allegheny County Sanitary Authority ("ALCOSAN") Green Revitalization of Our Waterways ("GROW") Program may provide funding support for said green infrastructure elements, and

**WHEREAS**, the City now wishes to submit an application to the Allegheny County Sanitary Authority ("ALCOSAN") Green Revitalization of Our Waterways ("GROW") Program for the I-579 Cap Project.

**Be it resolved by the Council of the City of Pittsburgh as follows:**

**Section 1.** the City of Pittsburgh of Allegheny County, Commonwealth of Pennsylvania, is seeking grant funding under the Allegheny County Sanitary Authority ("ALCOSAN") Green Revitalization of Our Waterways (GROW) Program for the green infrastructure elements of the I-579 Cap Project to fund a project that proposes to reduce the sewer overflow at the ALCOSAN point of connection of A-12 and M-05 sewershed and requests a GROW Program grant from ALCOSAN to be used toward said green infrastructure elements.

**Section 2.** The Mayor and the Director of the Department of Public Works and/or Director of the Department of Mobility and Infrastructure, on behalf of the City of Pittsburgh, are authorized to apply to the Allegheny County Sanitary Authority Green Revitalization of Our Waterways Program in order to acquire funding for certain green infrastructure elements of the I-579 Cap Project.
