Introduced: 5/31/2019

Bill No: 2019-1752, **Version:** 1

Committee: Committee on Public Works

Status: Passed Finally

Resolution authorizing the Mayor and Director of the Department of Mobility and Infrastructure (DOMI) and/or the Department of Innovation and Performance (I&P) on behalf of the City, to enter into an agreement with Ford Motor Company, in order to receive access to the Ford City Insights visualization platform that will further the City's ability to deliver services to residents.

WHEREAS, Ford Motor Company intends to provide cities with data at no cost to the City in either historic or real time formats, collaborate with key stakeholders and manage innovation; and

WHEREAS, Ford Motor Company is willing to provide data to the City may require that City consent to certain terms of use in order to access this digital platform; and

WHEREAS, certain City data would be contributed to the datasets assembled by Ford Motor Company; and

WHEREAS, the City now wishes to enter into an agreement with Ford Motor Company in order to allow the City to access Ford's City Insights platform that may include certain terms of use.

THEREFORE, be it resolved by the Council of the City of Pittsburgh as follows:

Section 1. The Mayor and Director of the Department of Mobility and Infrastructure (DOMI) and/or the Department of Innovation and Performance (I&P) on behalf of the City, are authorized to enter into an agreement with Ford Motor Company, in order to receive access to the Ford City Insights visualization platform that will further the City's ability to deliver services to residents.

Section 2. This resolution does not authorize entering into an agreement or agreements involving the appropriation or expenditure of City funds in order to receive data sets or access to datasets or visualization platforms.
