This plan must contain the sidewalk café seating layout, aisles, enclosure, ADA requirements, and means of egress, including egress from the main restaurant to the curb. Upon completion of PLI's process, PLI will forward the sidewalk café application packet, including DOMI's notice of acceptance, the certified site plan, and a copy of the certificate of occupancy for a sidewalk café, to DOMI.

f. City Council. When it is deemed that the application is completed fully and correctly, the Director of Mobility and Infrastructure submits the application to the District Council Person. The completed checklist of sidewalk café requirements is included in the packet provided to the District Council Person. [The City Council Member representing the district where the café is proposed shall acknowledge, in writing, having reviewed the application, prior to issuance of the permit.]
