Whereas, the City's Department of General Services ("Department") issued a Request for Proposals ("RFP") pursuant to which a contractor would furnish all supervision, labor, parts, supplies and sub-contract work required to manage and maintain the City's fleet of vehicles in a state of repair consistent with Department-mandated standards and specifications; and

Whereas, pursuant to the RFP, three (3) companies filed proposals with the Department; and

Whereas, the Department created an Evaluation Committee, consisting of representatives of various City Departments, to review and evaluate all proposals and consider various factors, including, but not limited to, experience, qualifications, past performance and the financial benefits to the City, and pursuant thereto make a recommendation as to award of a contract; and

Whereas, following review and evaluation, the Evaluation Committee recommended that the contract be awarded to First Vehicle;

Whereas, the Department requests authorization to enter into an agreement or agreement with First Vehicle;

Be it resolved by the Council of the City of Pittsburgh as follows:
