WHEREAS, the safety and security of all Pittsburgh residents is of the utmost importance to this City Council; and

WHEREAS, criminals often seek to gain entry into homes by posing as utility workers with the intent to rob or harm the homeowner; and

WHEREAS, the issue of imposter utility workers is faced by all utility companies, necessitating a partnership across industries to bring this matter to the attention of the public; and

WHEREAS, such incidents are happening with increasing frequency, thereby making it incumbent upon public figures to ensure that the general public is aware of danger posed by imposter utility workers by informing residents about the proper rules and procedures followed by legitimate utility workers; and
