**Section 2.** The City Controller, the City Treasurer, and the Director of the Office of Management and Budget are authorized to transfer a total of **\$12,000,000** from the general fund to the capital improvement/PayGo fund, for use in the 2017 Capital Budget.

**Section 3.** All encumbrances and obligations incurred prior to January 1, 2018 for which services have been rendered or supplies, materials or equipment actually delivered on or prior to December 31, 2017 and so reported to the City Controller shall be charged to the proper 2017 appropriation accounts against which encumbrances have been originally charged. All said encumbrances shall be paid or cleared by the City Controller no later than March 31, 2018.

**Section 4.** No liability shall be incurred against any appropriation item in excess of the unencumbered balance thereof, and said appropriation item shall be administered subject to and in conformity with the following terms and conditions:

- (a) Data required for preparation of payrolls shall be submitted to the City Treasurer in such form and at such time as she may prescribe. This data shall include records of employment, time worked, whether compensation is based upon hours, daily, monthly or annual salary basis, quantity of work performed, and such other records or reports with reference to personal service as may be required.
- (b) Payrolls shall be prepared by the City Treasurer upon the basis of such records or reports, and submitted by her to the respective Directors or Heads of Departments or Bureaus for approval and certification in such form as she may prescribe.

- (d) Any other terms and conditions as required by any grant agreement or special revenue fund enabling legislation.

**Section 5.** No obligation shall be incurred by any department of the City Government other than for salaries or wages, or for necessary expenses of employees when engaged upon city business, except through the issue of an invoice, stating the service to be rendered, work performed, or supplies, materials or equipment to be furnished together with the estimated cost of the same. The Director of the Office of Management and Budget is hereby authorized to provide upon requisition by the head of any department all necessary supplies, materials, equipment and machinery for such department; provided, however, that no requisition of any department shall be filled by the Director of the Office of Management and Budget in excess of the appropriation budgeted to the department.

**Section 6.** Council may, by resolution, restrict expenditures from the appropriations made herein, both as to amounts of expenditures, reasons for expenditures and the periods within which expenditures may be made.
