(b) When the Director determines that the owner(s), tenant(s) or occupant(s) of a property, or any person present at a property with the permission and knowledge of the owner(s), tenant(s) or occupant(s), has either been arrested or issued a citation or summons for Disruptive Activities occurring on the property on three (3) **or more** separate occasions within any twelve-month period, the Director may declare the property to be a Disruptive Property and proceed with the notice and enforcement procedures set forth in this Chapter.

(c) For rental properties containing six (6) or more rental units, each individual rental unit shall be considered a "property" for purposes of enforcement of this chapter. Thus, requiring that three (3) **or more** separate citations, summons and/or arrests for disruptive activity must be made involving the same rental unit in order to declare the individual rental unit a disruptive property. Any occurrence of disruptive activity in the common area or curtilage of a rental property shall be charged to the specific rental unit that the actor occupies and not the property in whole.

(d) After a property has been declared a disruptive property, if law enforcement authorities are not called upon to respond to any disruptive activities for a period of twelve (12) consecutive months, then the property will no longer be classified as a disruptive property.

(e) Any citation, summons or arrest for disruptive activity perpetrated by a tenant who is already in the process of being evicted, shall not count towards the declaration of a disruptive property pursuant to subsection (b) above, provided that the property owner can prove that an eviction action has been commenced in a court of law and that the property owner is actively prosecuting said eviction action against the tenant.
