Resolution amending Resolution 104 of 2015, which updated Resolution 1167 of 1986, creating the Record Storage, Technology and Operations Trust Fund, to revise the categories of permitted expenditures to be made by the Department of Permits, Licenses, and Inspections, effective January 1, 2019.

Be it resolved by the Council of the City of Pittsburgh as follows:

Section 1. Resolution 104 of 2015, which reads as follows:

The City Controller is hereby authorized and directed to create a special trust fund, to be designated as the Department of Permits, Licenses, and Inspections Record Storage, Technology, and Operations Trust Fund, in which trust funds there shall be deposited any and all fees paid by [Bureau of Building Inspection] the Department of Permits, Licenses, and Inspections (the "Department") permit applicants for each page of plans which are submitted. The monies deposited in said trust fund shall be used by the Department to cover any and all expenses associated with the microfilming of plans which are submitted to the Department for permit purposes and for additional Department expenses relating to the technological storage of records; software, hardware, or automated reporting.

Is hereby amended to read as follows:

The City Controller is hereby authorized and directed to create a special trust fund, to be designated as the

Department of Permits, Licenses, and Inspections Record Storage, Technology, and Operations Trust Fund, in which trust funds there shall be deposited any and all fees paid by the Department of Permits, Licenses, and Inspections (the "Department") permit applicants ~~for each page of plans which are submitted.~~ **as recorded on the fee schedule.** The monies deposited in said trust fund shall be used by the Department to cover any and all expenses associated with the ~~microfilming of plans~~ **retention of records** which are submitted to the Department for permit purposes and for additional Department expenses relating to the technological storage of records; software, hardware, or automated reporting.
