WHEREAS, the City issued a General Obligation Note in the maximum aggregate principal amount of Forty Million Dollars (\$40,000,000.00) (the “Note”) for the purposes of acquiring and undertaking the build-out of the Property; and

WHEREAS, the City, HACP, and URA entered into a Financing Cooperation Agreement effective as of August 1, 2018, (the “Financing Cooperation Agreement”) to set forth their understanding of their respective rights and duties related to the acquisition of the Property, the Pre-Closing Authorizations, the Financing Legislation and the Financing Security (as such terms are defined in the Financing Cooperation Agreement); and

WHEREAS, the Financing Cooperation Agreement was amended on September 20, 2018 in order to clarify the time and process for establishing a more formalized ownership structure for the Property and the Parties’ right and obligations related thereto; however, it has not been filed yet with the City Clerk in accordance with City Resolution 501 of 2018 due to incomplete exhibits and the Parties contemplate that it will be further amended in order to set forth the terms and conditions of: (1) the funding for the acquisition and build out of the respective Parties interests in the Property; (2) the repayments from the URA and HACP to the City; (3) the City’s administrative fee for servicing the advance of said funds; and (4) the security instruments and guarantees of the HACP and URA provided in exchange for the City’s lending of funds; and

WHEREAS, the Financing Cooperation Agreement originally contemplated that City, HACP, and URA would execute a tenant-in-common agreement (“TIC”) to specify their respective ownerships, duties and responsibilities for the Property; and

WHEREAS, pursuant to Resolution 648 of 2018, effective September 28, 2018, City Council authorized the City to enter into a TIC with the HACP and URA, subject to stated conditions including, inter alia, the creation of a contribution mechanism by which each entity would contribute a share of operating expenses relating to its percentage ownership of the Property and the establishment of a capital investment fund to provide for the long-term capital maintenance of the Property and its essential components; and

WHEREAS, during the process of finalizing the TIC, the HACP **represented** that the U.S. Department of Housing and Urban Development (“HUD”) was going to require the Property to be divided into condominium units and common areas to facilitate the ability of HACP to make its property **interests** subject to a Declaration of Trust in favor of HUD such that **HACP can use HUD funds to pay for its commitments to the City and to the Property, and in turn, HUD will** be granted an interest in HACP public housing property supported by federal funds; and

WHEREAS, to that end, in lieu of finalizing the TIC, the Parties instead now seek to conform to the requirements of the Pennsylvania Uniform Condominium Act, 68 Pa.C.S.A. §§3101 et seq., **or the Pennsylvania Planned Community Development Act, 68 Pa. C.S. §§ 5101 et seq.,** (the “Act”) in order to

create a condominium ownership structure pursuant to which the City, HACP, and URA, as joint Declarants, will each participate in the condominium association, hold title to one or more individual condominium units, and have an an interest in common elements (either in the title or as a member of an association); and

WHEREAS, in addition to the condominium options, the City also wishes to retain the ability to re-enter into the originally negotiated TIC, and also to retain its right to revoke the ownership shares of the HACP and the URA, if they are unable to fulfill their ownership commitments; and

WHEREAS, the City now seeks authority to execute, file and record all required and related instruments or documents necessary to ensure compliance with the ownership structure authorized to date, or the ownership structure if adopted under either the Pennsylvania Uniform Condominium Act, 68 Pa.C.S.A. §§3101 et seq., or the Pennsylvania Planned Community Development Act, 68 Pa.
