Resolution authorizing the Mayor and the Director of the Department of Innovation & Performance, on behalf of the City of Pittsburgh, to enter into an agreement or agreements with CIS (Center for Internet Security)) for a one-year term for Albert MD Monitoring application to predict malicious activity on the City network by monitoring, alerting and analyzing information gathered by sensors at a one-time cost not to exceed \$14,700 (Fourteen Thousand Seven Hundred Dollars and Zero Cents) with three (3) additional option years (2021, 2022, 2023)

Be it resolved by the Council of the City of Pittsburgh as follows:

Section 1. The Mayor and the Director of the Department of Innovation & Performance, on behalf of the City of Pittsburgh, are authorized to enter into an agreement or agreements with CIS (Center for Internet Security) for a one-year term for Albert MD Monitoring application which predicts malicious activity on the City network by monitoring, alerting and analyzing information gathered by sensors at a one-time cost not to exceed \$14,700 (Fourteen Thousand Seven Hundred Dollars and Zero Cents) The agreement or agreements may include a provision to authorize an amendment or amendments to extend the term for up to three (3) additional option years (2021, 2022, 2023) subject to annual appropriation of City Council

\$14,700 from 11101.103000.53.53901.2020

Section 2. Said agreement or agreements and any amendment or amendments shall be approved by the City Solicitor as to form
