Resolution amending Resolution 37 of 2020 to allow for multiple agreements, as necessary, to authorize certain easements in connection with the construction of Duquesne Light Company's new Riazzi Electric Substation (Substation) and the installation of an underground electrical system, to connect the Substation to the existing electrical distribution system for the surrounding area.

WHEREAS, City Council previously authorized the City to enter into an Agreement with Duquesne Light Company ("DLC") to provide a permanent construction easement and license in connection with its new Substation (the "Project"), to enable DLC to provide the reliable, affordable, and safe delivery of energy to Pittsburgh residents and businesses; and

WHEREAS, since the initial authorization, it has been determined that different agreements are needed for DLC's facilitation of the Project, which includes permanent easements that will assist with storm-water control, hillside stabilization, and enhanced power delivery for the benefit of the surrounding area; and

WHEREAS, Pittsburgh City Council wishes to amend the initial authorization.

**Be it resolved by the Council of the City of Pittsburgh as follows:**

**Section 1.** Resolution 37 of 2020 is hereby amended to read as follows:

Section 1. The Mayor and the Directors of the Department of Public Works, the Department of Mobility and Infrastructure, and the Department of Finance, are authorized, on behalf of the City of Pittsburgh, to enter into the following Agreements with Duquesne Light Company:

- 1) A Permanent Easement over a swath of land at the base of the hillside on City land abutting the Duquesne Light Company property on which the Substation is constructed in the Central Oakland neighborhood (“Hillside”) to allow for access for the installation and maintenance of storm water control devices and for long-term maintenance and storm water control of City property in Schenley Park, thereby both benefitting Duquesne Light Company and assisting the City in its storm water control obligations. . The legal description of this easement (“Maintenance Access Easement”) is set forth in Exhibit A, which is attached hereto;
- 2) A Permanent Easement to allow for installation and permanent location of tie back structures for the stabilization of the Hillside and the Substation. The legal description of this easement (“Tie Back Structures Easement”) is set forth in Exhibit B, which is attached hereto.
- 3) A Permanent Easement for an underground electrical system of conduit and cable through City property to connect the electrical distribution from the Substation to the existing electrical distribution system for the surrounding area. The legal description of this easement (“Conduit and Cable Easement”) is set forth on Exhibit C, which is attached hereto.
- 4) Each of these Easement Areas is further depicted on the drawing which is attached hereto as Exhibit D.

Section 2. In consideration of the granting of these Permanent Easements, Duquesne Light will pay to the City one-time, lump-sum payment(s) totaling at least ~~One Hundred Ninety Thousand Dollars (\$190,000.00)~~ **Eighty Four Thousands Dollars (\$84,000)** but up to the amount determined by the Director of Finance and agreed upon by Duquesne Light. This amount will be paid by a check to Treasurer, City of Pittsburgh and deposited into ARAD Trust Fund 4000280300.42381.00

Section 3. Any Resolution or part thereof conflicting with the provisions of this Resolution is hereby repealed so far as the same affects this Resolution.
