**WHEREAS**, Mrs. Poole demonstrated her resilience, courage and commitment to the greater good during the civil rights movement, having actively formed a part of, along with husband Marion L. **WHEREAS**, Mrs. Poole, in a display of the versatility of her talents, has most recently taken on the role of author with the writing of the children's book *The Girl with Green Bean Hair*, inspired from a dream she had in 2007 that showcases an imaginative and philanthropic mind at work, the story of the adventures experienced by an elderly lady who, upon waking one morning, finds herself once more in her youth with green bean hair that is used to feed the hungry children of the world;
