Resolution amending Resolution 850 of 2021 which authorized the City of Pittsburgh and the Department of City Planning to enter into an Agreement with Maalka to provide a Building Benchmarking Management Platform Software Solution by adding funding for contract year 2024 and increasing the total cost by Eleven Thousand Two Hundred and Fifty ($11,250) dollars for a new total cost not to exceed Ninety-One Thousand Two Hundred and Fifty ($91,250) dollars.

WHEREAS, the adoption of Building Benchmarking increases transparency and access to building information, enhances coordination and efficiencies among departments and partner organizations across the public, nonprofit, and private sectors; and improves provision of services;

Be it resolved by the Council of the City of Pittsburgh as follows:

Section 1. Resolution amending Resolution 850 of 2021 which authorized the City of Pittsburgh and the Department of City Planning to enter into an Agreement with Maalka to provide a Building Benchmarking Management Platform Software Solution by adding funding for contract year 2024 and increasing the total cost by Eleven Thousand Two Hundred and Fifty ($11,250) dollars for a new total cost not to exceed Ninety-One Thousand Two Hundred and Fifty ($91,250) dollars.
