Ordinance supplementing the Pittsburgh Code, Title Six, Conduct, Article I, Regulated Rights and Actions, by adding Chapter 625 titled Sexually Oriented Businesses

WHEREAS, Adult Businesses are guaranteed important rights to Free Speech by the First Amendment of the U.S. Constitution, as well as other rights such as Due Process and Equal Protection under that same charter; and

WHEREAS, the City of Pittsburgh through its Zoning Code must make reasonable and real accommodations to permit the practice of various kinds of Adult Business within its boundaries in order to act in compliance with these constitutional guarantees; and has in fact introduced such amendments to its Zoning Use Regulations in Title NINE, Article V, Section 911.02 in order to allow Adult Entertainment as a use Permitted by Right in certain and sufficient districts; and

WHEREAS, it has been demonstrated empirically time and again that Sexually Oriented Businesses which provide Adult Entertainment tend in the aggregate to contribute toward serious deleterious Secondary Effects which can be visited upon its own Patrons and Employees, on the surrounding Neighborhood, and on the Region as a whole; and

WHEREAS, these predictable and deleterious Secondary Effects include increases in certain kinds of Crime, and decreases in Property Values through the effects of this Crime and the resulting Blight and Disinvestment;

and

WHEREAS, entrepreneurial interest in launching new Sexually Oriented Businesses within the City of Pittsburgh has recently increased significantly ever since economic development has increased generally, especially on or near the North Shore, and particularly in connection with the opening of a state-licensed Gaming Casino on the western edge of the City; and

WHEREAS, this government has a substantial interest in and responsibility toward protecting its citizens from the deleterious Secondary Effects of Adult Entertainment, even while it must honor its commitment to zealously protect Free Speech and other Constitutional Rights for Sexually Oriented Business owners and employees; and

WHEREAS, the proper, well-established and repeatedly judicially reaffirmed method of balancing these rights and interests is to enact reasonable and effective Time, Place and Manner restrictions upon Sexually Oriented Businesses and the practice of Adult Entertainment with the aim of mitigating these Secondary Effects, and to enforce these Time, Place and Manner restrictions through a system of Business Licensing which the City now also enacts as companion legislation through Title SEVEN, Chapter 781 of the Code;

The Council of the City of Pittsburgh hereby enacts as follows:

Section 1. The Pittsburgh Code Title Six, Conduct, Article I, Regulated Rights and Actions, is hereby supplemented by adding Chapter 625, Sexually Oriented Businesses, as follows:

CHAPTER 625: SEXUALLY ORIENTED BUSINESSES

625.01 FINDINGS AND PURPOSE

(a) In enacting this Ordinance, the City of Pittsburgh makes the following statement of intent and findings:

- (1) Adult entertainment establishments require special supervision from the public safety agencies of this City in order to protect and preserve the health, safety and welfare of the patrons and employees of the businesses as well as the citizens of the City.
- (2) The City Council finds that adult entertainment establishments are frequently used for unlawful sexual activities, including prostitution and sexual liaisons of a casual nature.
- (3) The concern over sexually transmitted diseases is a legitimate health concern of the City of Pittsburgh that demands reasonable regulation of adult entertainment establishments by City government in the specified manner and expanded authority for reasonable regulation of adult entertainment establishments by local governments, in order to protect the health and well-being of the citizens.
- (4) Minimal regulations enacted by the City of Pittsburgh are a legitimate and reasonable means of accountability to ensure that operators of adult entertainment establishments comply with reasonable regulations and to ensure that operators do not knowingly allow their establishments to be used as places of illegal sexual activity or solicitation.
- (5) There is convincing documented evidence that adult entertainment establishments, because of their very nature, have a deleterious effect on both the existing businesses around them and the surrounding residential areas adjacent to them, cause increased crime, particularly in the overnight hours, and

downgrade property values.

(6) The City Council desires to minimize and control these adverse effects by regulating adult entertainment establishments in the specified manner. And by minimizing and controlling these adverse effects, the City Council seeks to protect the health, safety, and welfare of the citizenry; protect the citizens from increased crime; preserve the quality of life; preserve the property values and character of surrounding neighborhoods; and deter the spread of urban blight.

(7) The City Council has determined that current local zoning and other location criteria do not adequately protect the health, safety, and general welfare of the people of the City of Pittsburgh and that expanded regulation of adult entertainment establishments is necessary.

(8) It is not the intent of City Council in enacting this act to suppress or authorize the suppression of any speech activities protected by the First Amendment, but to enact content-neutral statutes that address the secondary effects of adult entertainment establishments.

(9) It is not the intent of City Council to condone or legitimize the distribution of obscene material, and the Council recognizes that state and federal law prohibits the distribution of obscene materials and expects and encourages state law enforcement officials to enforce state obscenity statutes against any such illegal activities in this state.

(b) It is the intent of City Council in enacting this Ordinance to regulate in the specified manner adult entertainment establishments in order to promote the health, safety and general welfare of the citizens of the City of Pittsburgh and establish reasonable regulations to prevent the deleterious secondary effects of adult entertainment establishments within the City. The provisions of this Ordinance have neither the purpose nor effect of imposing a limitation or restriction on the content of any communicative materials, including sexually oriented materials. Similarly, it is not the intent of the Council in enacting this Ordinance to restrict or deny, or authorize the restriction or denial of, access by adults to sexually oriented materials protected by the First Amendment, or to deny, or authorize the denial of, access by the distributors and exhibitors of adult entertainment and adult materials to their intended market. Neither is it the intent nor effect of the Council in enacting this Ordinance to condone or legitimize the distribution or exhibition of obscene material.

(c) Based on evidence concerning the adverse secondary effects of adult uses on communities presented in hearings and in reports made available to the Council in the cases of *Township of Littleton, Colorado v. Z.J. Gifts D-4, L.L.C.* (2004), 541 U.S. 774; *Township of Erie v. Pap's A.M.* (2000), 529 U.S. 277; *Barnes v. Glen Theatre, Inc.* (1991), 501 U.S. 560; *Township of Renton v. Rec. S. 8987; 135 Cong. Rec. S. 14519; 135 Cong. Rec. S. 5636, 134 Cong. Rec. E. 3750; and also on findings from the paper entitled "Stripclubs According to Strippers: Exposing Workplace Sexual Violence," by Kelly Holsopple, Program Director, Freedom and Justice Center for Prostitution Resources, Minneapolis, Minnesota; and from "Sexually Oriented Businesses: An Insider's View," by David Sherman, presented to the Michigan House Committee on Ethics and Constitutional Law, Jan. 12, 2000; and from various other police reports, testimony, newspaper reports, and other documentary evidence), and subsequent findings in *Sensations, Inc. v. City of Grand Rapids, Michigan Decency Action Council* (6th Cir. 2008), 526 F.3d 291; 729, *Inc. v. Kenton County Fiscal Court* (6th Cir. 2008), 515 F.3d 485; and *Andy's Rest. & Lounge, Inc. v. City of Gary* (7th Cir. 2006), 466 F.3d 550, and Pittsburgh City Council's independent review of the same) the Council finds:

- (1) Adult entertainment establishments lend themselves to ancillary unlawful and unhealthy activities that are presently uncontrolled by the operators of the establishments.
- (2) Certain employees of adult entertainment establishments, as defined in this Ordinance as adult theaters and cabarets, engage in a higher incidence of certain types of illicit sexual behavior than employees of other establishments.
- (3) Sexual acts, including masturbation and oral and anal sex occur at adult entertainment establishments, especially those that provide private or semiprivate booths or cubicles for viewing films, videos, or live sex shows. The "couch dances" or "lap dances" that frequently occur in adult entertainment establishments featuring live nude or seminude dancers constitute or may constitute the offense of "engaging in prostitution" under 18 Pa. Cons. Stat. § 5902
- (4) Offering and providing private or semi-private booths or cubicles encourages such activities, which creates unhealthy conditions.
- (5) Persons frequent certain adult theaters, adult arcades, and other adult entertainment establishments for the purpose of engaging in sexual activity within the premises of those adult entertainment establishments.
- (6) Numerous communicable diseases may be spread by activities occurring in sexually oriented businesses, including, but not limited to, syphilis, gonorrhea, human immunodeficiency virus infection (HIV-AIDS), genital herpes, hepatitis salmonella, campylobacter and shigella infections, chlamydial, myoplasmal and ureoplasmal infections, trichomoniasis, and chancroid.
- (7) Since 1981 and to the present, there have been an increasing cumulative number of reported cases of AIDS caused by the human immunodeficiency virus (HIV) in the United States: 600 in 1982, 2,200 in

1983, 4,600 in 1984, 8,555 in 1985, and 253,448 through December 31, 1992.

(8) According to the U.S. Centers for Disease Control, there were a total of 31,220 persons living with a diagnosis of HIV infection in Pennsylvania in 2008, and a total of 18,734 persons in Pennsylvania living with an AIDS diagnosis in 2009.

(9) Syphilis - a disease once on the verge of elimination - began re-emerging as a public health threat in 2001. In 2009, there were 13,997 reported cases of primary and secondary (P&S) syphilis in the U.S. - the most infectious stages of the disease - the highest number of cases since 1995 and an increase over 2007 (11,466 cases). The total number of annual cases of syphilis (P&S, early latent, late, late latent and congenital) has reached 44,828 in 2009.

(10) The number of cases of gonorrhea in the United States reported annually remains at a high level, with 301,174 cases being reported in 2009.

(11) The Surgeon General of the United States in his report of October 22, 1986, has advised the American public that AIDS and HIV infection may be transmitted through sexual contact, intravenous drug abuse, and exposure to infected blood and blood components, and from an infected mother to her newborn.

(12) According to the best scientific evidence, AIDS and HIV infection, as well as syphilis and gonorrhea, are principally transmitted by sexual acts.

(13) Sanitary conditions in some adult entertainment establishments are unhealthy, in part, because the activities conducted there are unhealthy, and, in part, because of the unregulated nature of the activities and the failure of the owners and the operators of the facilities to self-regulate those activities and maintain those facilities.

(14) The findings noted in divisions (C)(1) to (13) of this section raise substantial governmental concerns.

(15) Adult entertainment establishments have operational characteristics that require or mandate subject them to reasonable government regulation in order to protect those substantial governmental concerns.

(16) The enactment of this Ordinance will promote the general welfare, health, and safety of the citizens of this City.
