Ordinance supplementing the Pittsburgh Code of Ordinances, Title One, Administrative, Article Three, Organization, Chapter 121 by adding new language.

Whereas, it is a benefit to the residents of the City of Pittsburgh to understand on a resident-by-resident basis, the cost of Public Safety, Public Works, Land Use Planning and other vital services provided to them; and

Whereas, currently, the City does not report this information in such a format; and

Whereas, there are tens of thousands of residents in the City who, while benefiting from the extensive services provided by the City, do not understand the costs of those services to the rest of the City's residents; and

Whereas, the time has come for all those who live in the City to have an interest in ensuring that the services relied upon by all those who live in the City aren't financed by only some portion of those residents.

The Council of the City of Pittsburgh hereby enacts as follows:

Section 1. The Pittsburgh Code of Ordinances, Title One, Administrative, Article Three, Organization, Chapter 121, Section 121.02 is hereby supplemented as follows:
