**Introduced:** 11/16/2015

**Bill No:** 2015-2245, **Version:** 1

**Committee:** Committee on Public Safety  
Services

**Status:** Passed Finally

Ordinance amending Title 6: Conduct, Article 1: Regulated Rights and Actions by adding section 627 providing for the assessment of a civil fine for the possession of small amounts of cannabis in the City of Pittsburgh under certain terms and conditions.

**WHEREAS**, in Pittsburgh approximately 1,000 individuals are charged with possessing a “small amount” of marijuana, defined as 30 grams or less of marijuana possessed for personal use. Police officers are required to appear for a Court hearing in every case where possession of a “small amount” is charged; and

**WHEREAS**, the City of Pittsburgh Police Department and the Office of the District Attorney of Allegheny County have regularly and routinely reduced all “small amount”/minor marijuana possession charges to a summary offense with the payment of a fine; and

**WHEREAS**, merely being charged with a controlled substances violation can result in the loss of employment and housing opportunities, especially public housing opportunities; and

**WHEREAS**, a growing number of States and Cities have recently passed laws as it pertains to the decriminalization of small amounts of marijuana possessed for non-medical personal use. In 2012 the City of Chicago moved to decriminalize small amounts allowing police to issue tickets instead of making an arrest. In 2014 Washington D.C. passed a similar ordinance providing for a \$25.00 fine for possession of a small amount; and

**WHEREAS**, the expungement procedure is lengthy and financially burdensome. Failure to properly expunge a cannabis possessory offense will result in said offense remaining on a person’s criminal history despite the charge having been resolved as a summary; and

**WHEREAS**, racial minorities in the City of Pittsburgh, predominantly black males, are charged with minor possessory offenses five times more often than their white colleagues despite similar rates of usage; and

**WHEREAS**, the City of Pittsburgh Police have limited resources that should not be utilized for the enforcement of minor cannabis possessory offenses; and

**WHEREAS**, The City of Pittsburgh should continue to determine its cannabis policies locally. Many recreational cannabis consumers are productive citizens for whom even a controlled substances offense can result in loss of employment, housing and other collateral consequences. Making cannabis possessory offense the lowest law enforcement priority will reduce law enforcement expenditures and permit limited resources to be focused on more serious violent crimes; and

**WHEREAS**, Consistent with the foregoing it is the intent of the City of Pittsburgh that the City of Pittsburgh Police shall not use the mere odor of marijuana to unreasonably detain an individual or seek entry to a private residence. The City of Pittsburgh Police Department is hereby directed to enact policies consistent with the intent of City Council within sixty (60) days of the effective date of this Ordinance.

**WHEREAS**, this Ordinance is consistent with the “small amount” section of the Controlled Substances Act in that it assesses a penalty for the possession of cannabis as same remains illegal under Pennsylvania law.

**WHEREAS**, it is the hope of the citizens of Pittsburgh that the Federal and Pennsylvania State governments will change the laws and to tax and regulate cannabis, so as to eliminate costs and problems caused by prohibition, open access to cannabis treatment for patients for whom their physician deems access a wise necessity, keep cannabis off of the streets and away from children, and raise tax revenues for vital public services; now, therefore,

**THE COUNCIL OF THE CITY OF PITTSBURGH HEREBY ORDAINS:**

- ii. This Chapter shall not be construed to supersede any existing Pennsylvania or Federal law. Pittsburgh police officers retain the authority to enforce any applicable laws and it is Council's intent that police officers may undertake custodial arrests where there is probable cause to believe that a criminal offense other than simple possession of a small amount of marijuana has been or is being committed.
